

REPRESENT
COMMERCIAL

YOUR ASSET. OUR OBSESSION.

CAPABILITY STATEMENT

THE DIFFERENCE IS *structural*, NOT STYLISTIC.

– 01

PRINCIPAL-LED

One point of contact, fully accountable. No PM department, no handovers. The person who signs your agreement is the person reviewing your lease, interrogating your outgoings, and negotiating your rent review.

– 02

SPECIALIST, NOT GENERALIST

Commercial property is all we do. We know Brisbane's markets, your tenants, and your comparable rents — from Acacia Ridge to the CBD, from sub-\$3M industrial to \$30M mixed-use.

– 03

AI-NATIVE OPERATIONS

Technology absorbs the administration so judgement and strategy get the attention. Faster, more accurate, more transparent.

– 04

OWNER-ALIGNED

We manage to the asset's purpose — income stability, value, eventual exit — not to a task list. Every quarter, every decision is filtered through one question: what does this asset need to do.

MANAGEMENT

THREE TIERS. ONE STANDARD OF JUDGEMENT.

Engagement is structured around three tiers. The right fit — and the fee — follows a detailed, asset-by-asset review, because no two commercial assets carry the same risk, complexity, or opportunity.

— Tier 01

FOUNDATION

Essential management for a single, stable asset — done properly.

- Rent invoicing, collection and banking
- Arrears monitoring and recovery
- Compliant trust accounting
- Monthly owner statements and reporting
- Outgoings budgeting and annual reconciliation
- Lease administration and critical-date tracking
- Statutory and regulatory compliance
- Insurance administration and claims coordination
- Routine maintenance and contractor coordination
- Regular property inspections
- Owner portal — live access to your asset
- Direct line to the principal

SCOPED TO YOUR ASSET

— Tier 02 · Most engaged

ACTIVE

For owners pursuing performance.

EVERYTHING IN FOUNDATION, PLUS —

- Proactive rent review management — market and CPI
- Lease renewal strategy and negotiation
- Vacancy and leasing campaign management
- Tenant retention program
- Outgoings recovery optimisation
- Planned and preventative maintenance scheduling
- Minor capital works coordination
- Annual asset performance review
- Income risk and WALE monitoring
- Annual asset strategy session with the principal

SCOPED TO YOUR ASSET

— Tier 03

PORTFOLIO

For multi-asset owners and syndicates.

EVERYTHING IN ACTIVE, APPLIED ACROSS THE PORTFOLIO, PLUS —

- Consolidated portfolio reporting
- Portfolio-level performance benchmarking
- Asset-by-asset strategic review — hold, improve, exit
- Capital expenditure forecasting and lifecycle planning
- Quarterly portfolio strategy session with the principal
- Cash flow forecasting
- Syndicate and multi-owner reporting
- Reporting cadence set to your requirements

FEE SET ON REVIEW

03 WHO WE WORK WITH

PRIVATE INVESTORS. SYNDICATES. SMSF LANDLORDS.

REPRESENT is built for private investors, investment syndicates, and SMSF landlords who hold commercial property directly and want it managed with intent.

If your property is part of your retirement strategy or your investment thesis — not a passive line item — we are built for you.

A FOUR-STEP OPERATING RHYTHM —

applied to every asset, every quarter.

01 · Grade

GRADE

Every asset and tenancy assessed for risk, performance, and opportunity — before anything is touched.

02 · Manage

MANAGE

Administration handled precisely. Critical dates tracked, outgoings reconciled, compliance closed. Nothing slips.

03 · Improve

IMPROVE

A standing strategy for income, retention, and value. Reviews, renewals, and capex sequenced to the asset's purpose.

04 · Report

REPORT

Clear, consistent reporting so you always know where the asset stands — financially and operationally.

05 · ABOUT THE PRINCIPAL

NICK O'TOOLE

PRINCIPAL · LICENSEE

NICK O'TOOLE

Principal & Licensee

Nick has spent 20+ years in commercial property asset management, working across the full lifecycle of office, retail and industrial assets — leasing, outgoings, refurbishment, repositioning, and portfolio strategy.

He spent the past 13 years as Asset and Development Manager at Nicolas Malouf Investments, a Brisbane private investment group, and earlier held asset management and analyst roles across commercial portfolios totalling more than \$500M. Across that career he has negotiated more than \$20M in lease transactions as a client-side asset manager — acting for the owner, not as an agent.

He holds a Bachelor of Commerce (Finance) and a Bachelor of Business Management (Real Estate and Development) from the University of Queensland, and a full Queensland real estate licence.

Nick founded REPRESENT to offer owners something the agency model structurally can't: a senior operator personally accountable for the asset.

SELECTED PROJECT HIGHLIGHTS

SPRING HILL · REPOSITION

3 → 15 **storeys**

Repositioned a Spring Hill commercial asset — securing a planning uplift from 3 to 15 storeys, then running a refurbishment and leasing campaign that delivered 100% occupancy and a 6% yield on total cost.

WEST END · VALUE ADD PLAY

\$5M → \$12M

Managed the acquisition, refurbishment and leasing of a West End mixed use asset, supporting a value increase from \$5M to \$12M.

06 · CONTACT

Managed with intent.
